## The Packaging People Group

---

In 1983, Mr. Anand Bangur established The Packaging People Group as a versatile packaging material manufacturing enterprise.

Over time, the company expanded significantly and emerged as a top producer of corrugated packaging, setting new standards for quality and innovation in the industry.

- ◆ A trusted business partner across diverse segments, setting new quality benchmarks with innovation.
- ◆ We are ISO 22000 : 2018, ISO 9001 : 2015, ISO 45001 : 2018, ISO 14001 : 2015, FSC and BRC certified & committed to provide top - notch products.
- ◆ To stay abreast with technology, we have installed state-of-the-art automatic 7-ply and 5-ply corrugation machines, resulting in massive production capability.
- ◆ With installed production capacity of 100,000 tons per annum, we provide 24/7 customer service and technical assistance to exceed client expectations.

With an exceptional client base across the world, we are pleased to supply the best packaging solution in pharmaceuticals, FMCG, textiles, automobiles, and many more sectors.
